

To whom it may concern

Kyivteploenergo as a member of "Euroheat & Power", together with the Intersectoral Association of District Heating Companies of Ukraine "Ukrteplokomunenergo" address you with an urgent request to assist in the organization of humanitarian and technical aid, that will ensure uninterrupted work of emergency crews of heat supply companies in settlements located in the zone of hostilities.

The most complicated situation is in the next cities:

Kyiv, Zhytomyr, Sumy, Kharkiv, Mykolaiv, Irpin, Bucha, Bila Tserkva, Borodyanka, Chernihiv, Kramatorsk, Brovary, Vyshgorod, Boryspil, Korosten, Zaporizhia, Berdyansk, Izum, Chuguiv, Lubny, Myrhorod, Okhtyrka, Mariupol, Melitopol, Kherson, Kakhovka, Nova Kakhovka.

Despite the difficult working conditions, emergency crews are working there in an intensive mode 24/7 and providing heating and hot water to residents of these cities.

We ask you to support us in this tough period and if possible, to provide assistance with materials and tools, the full list of which can be found attached to this letter.

Sincerely,

Viacheslav Bind,
Chief Executive Officer
MU "Kyivteploenergo"
