

Euroheat & Power Membership fees 2018¹

(cf. General Assembly decision of 14/05/2017 in Glasgow, UK)

Active Association

Active Association (for countries in EU and EEA (European Economic Area))

For EU/EEA associations, the membership category is fixed until 2018 based on the heat and cold supplies of the association's members to the network in the 2010, 2011, 2012. In case only the heat supplies to the customers are known, a correction factor of +10% will be applied.

New active associations benefit from a phase-in scheme, starting at 40% (with a minimum of 4.000 EUR) and increasing to 100% over a period of four years.
